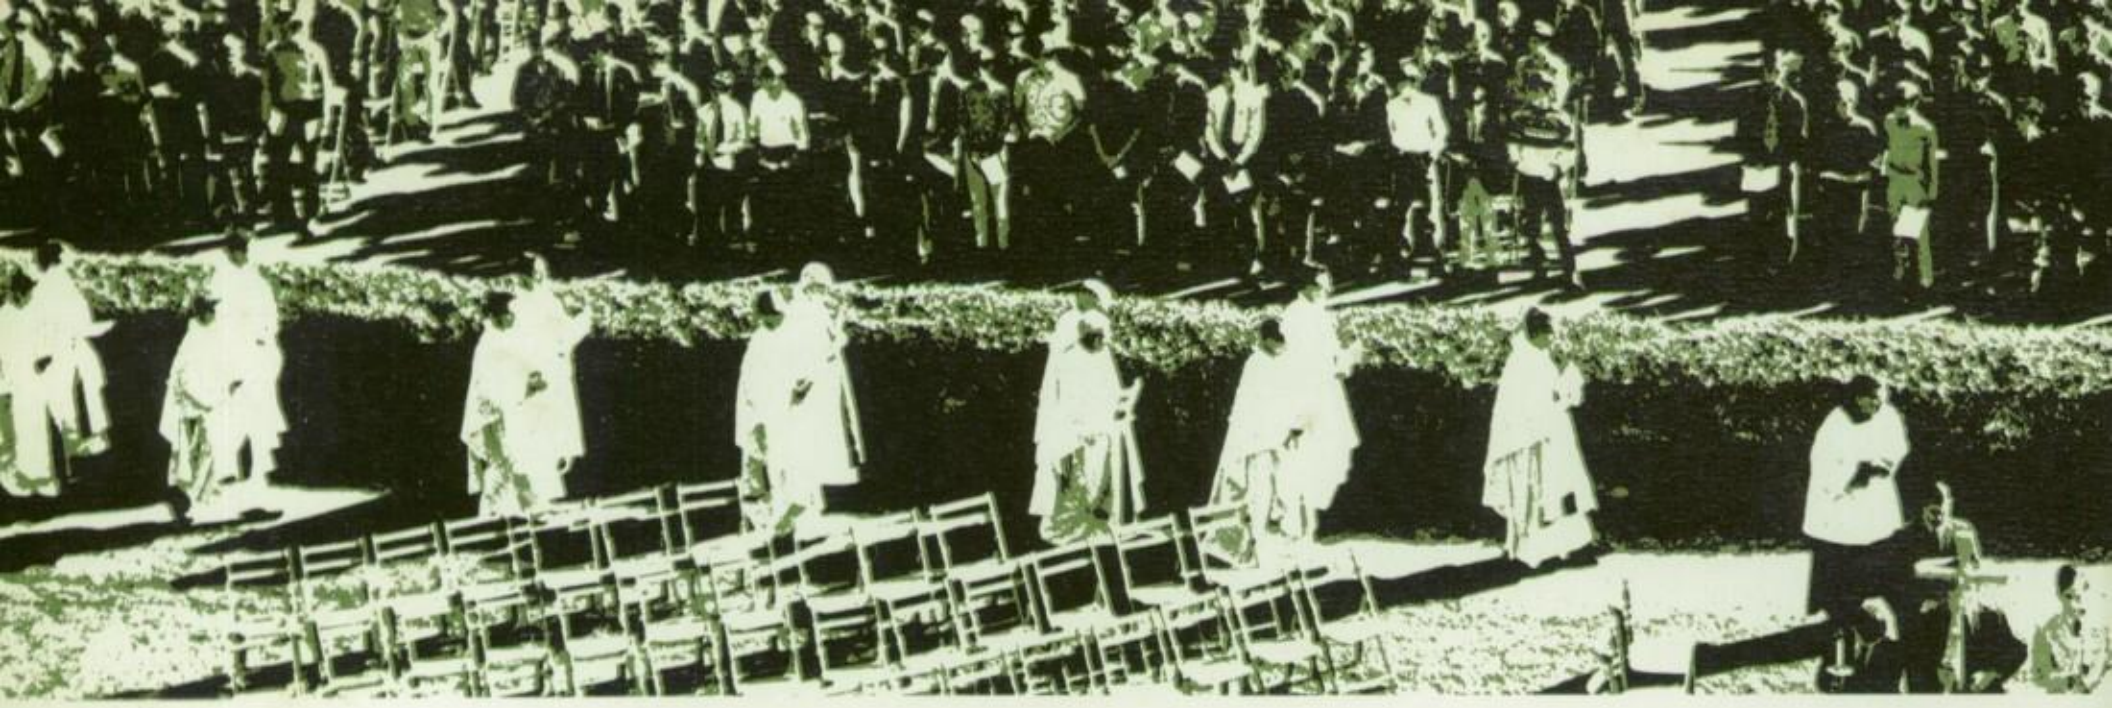
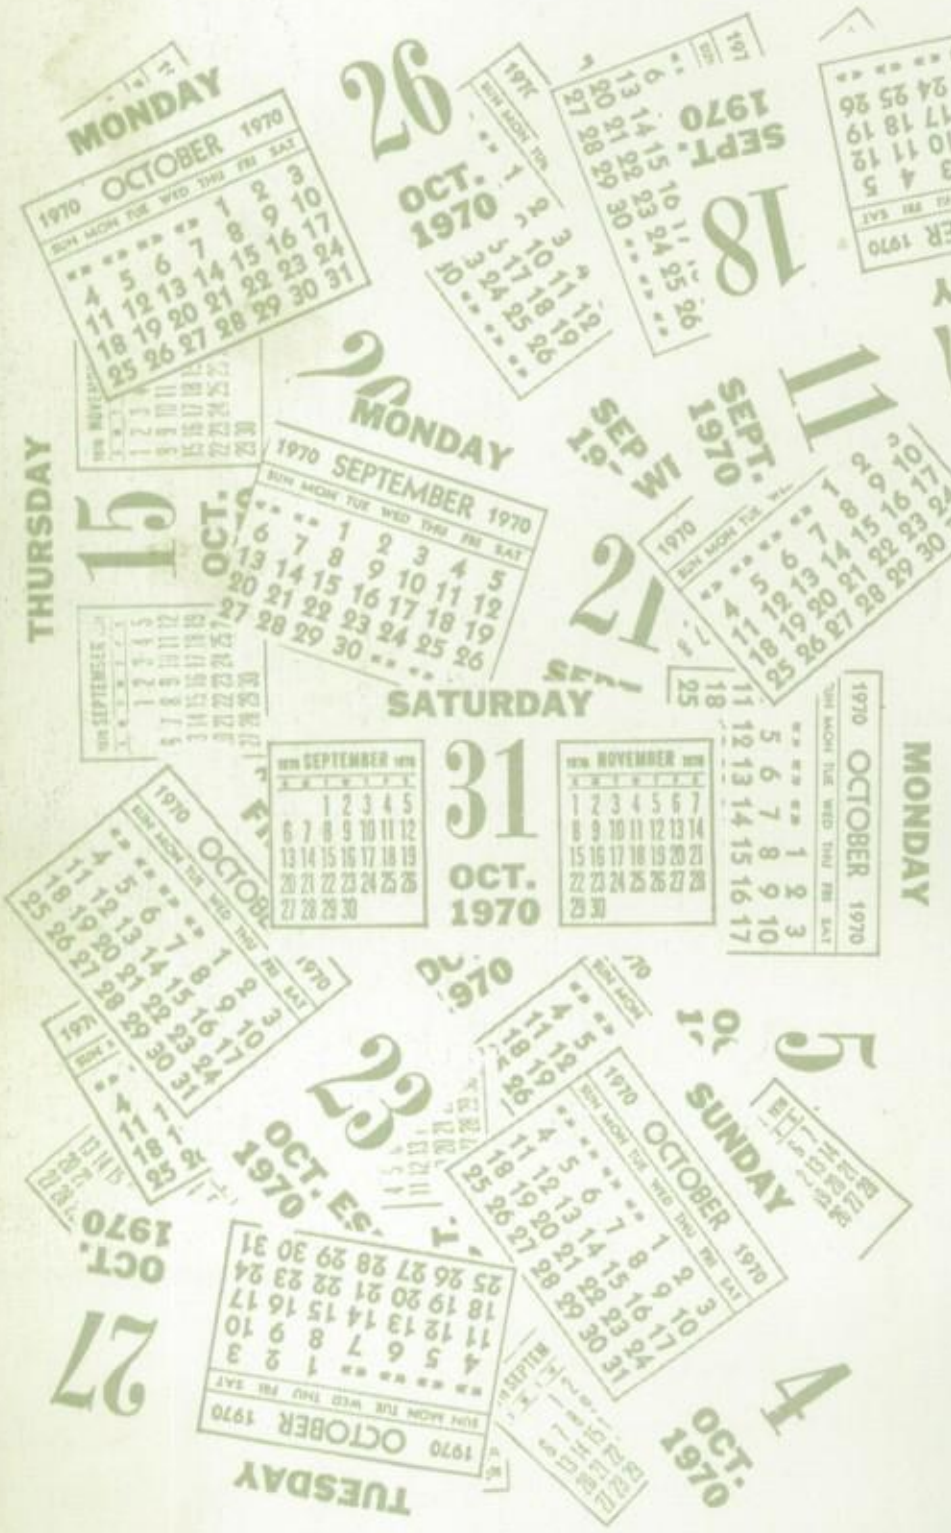
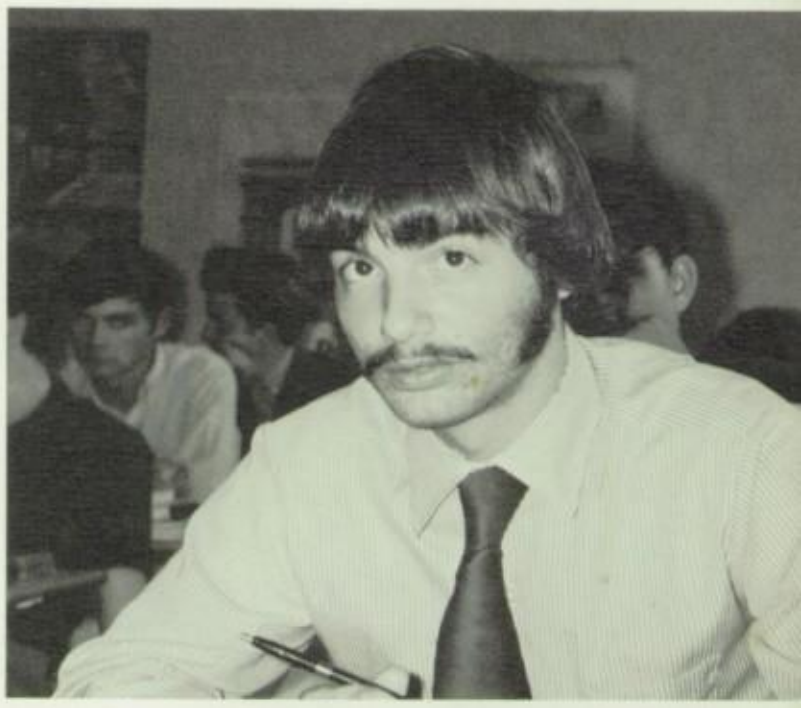
RENAISSANCE







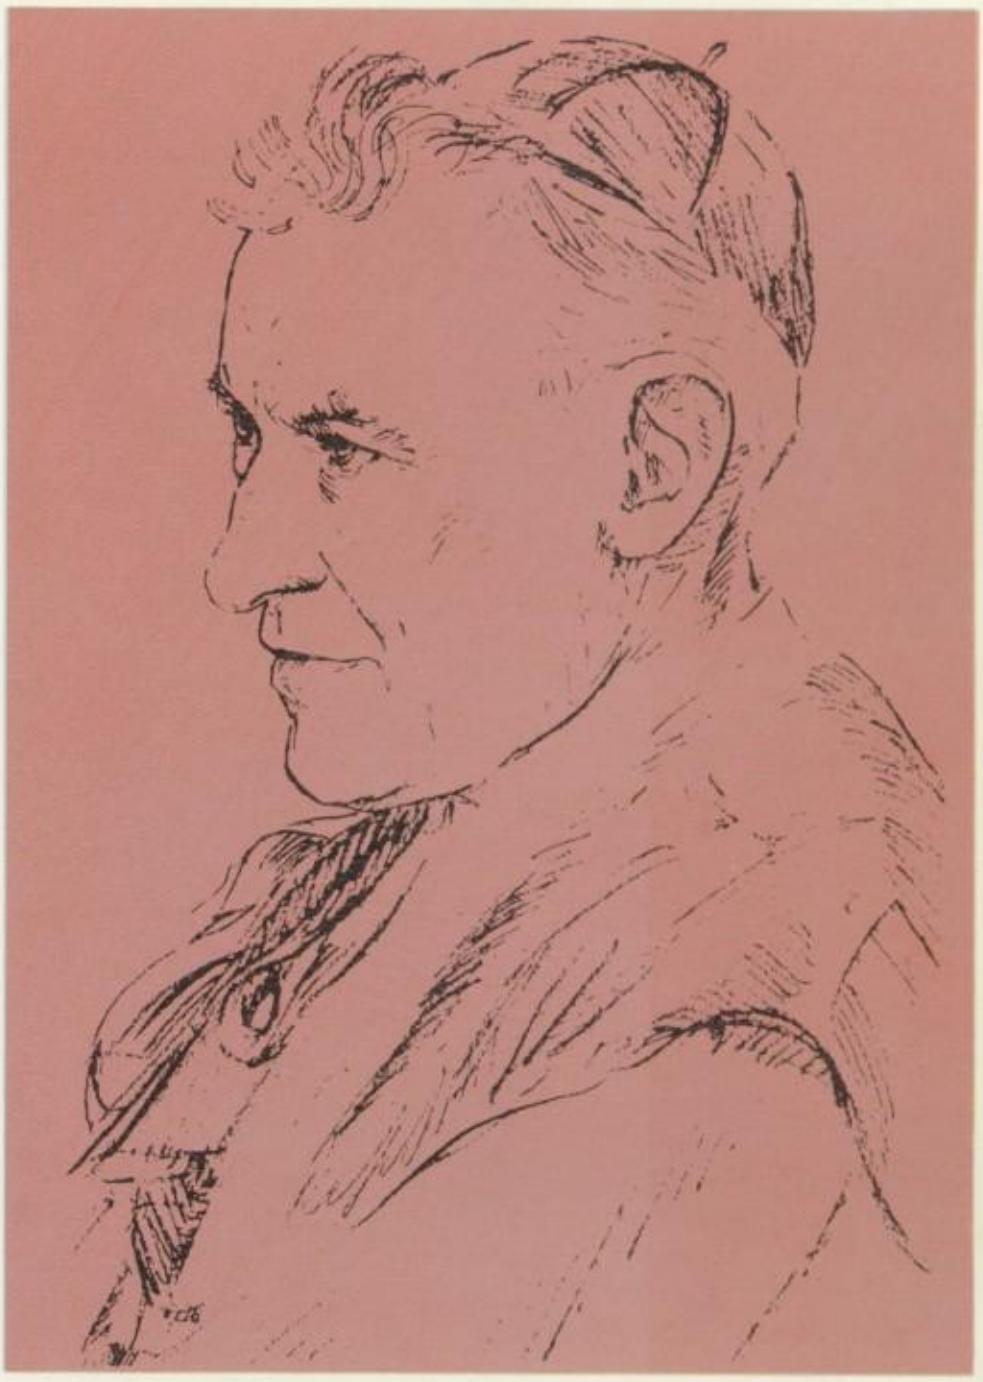
**Come September,
everyone likes to look as if he were
going back to school!**

The good old United States.

Tuesday, October 20, 1970

We'll alter to suit.

Richard Cardinal Cushing



TIME is too slow
For those who wait;
Too swift
For those who fear;
Too long
For those who grieve;
Too short
For those who rejoice;
But for those who love
Time is not.

I do my thing,
And you do your thing.
I am not in this world
To live up to your expectations,
And you are not in this world
To live up to mine.

You are you
And I am I

And if by chance we find each other

It's beautiful.

If not,
It can't be helped.

But it can help him through school.

Dedication

Times were when the cloth was more than the symbol and
the collar was more than the man.
But in times when man lives to be,
the cloth, the collar, the MAN
are one and the same:
friendship, respect, people, God.
With these ideals in mind, we dedicate the 1971 Renaissance
to the Scholastics of Boston College High School.

what the world needs now.

If we only have love
Then tomorrow will dawn
And the days of our years
Will rise on that morn

If we only have love
To embrace without fears
We will kiss with our eyes
We will sleep without tears

If we only have love
With our arms open wide
Then the young and the old

If we only have love
Love that's falling like rain
Then the parched desert earth
Will grow green again.

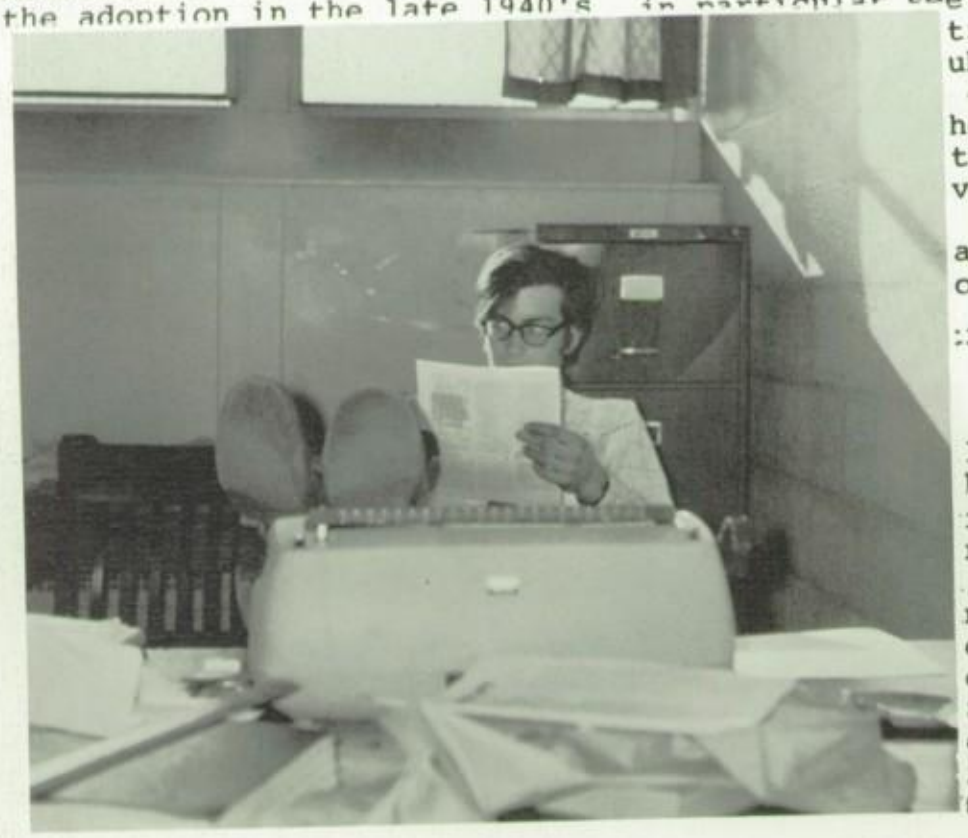
The EAGLET

FR. DRINAN

In an exclusice interview for the Eaglet Fr.Robert Drinan, Congressional representive from Massachusetts second district answered some questions pertaining to the graduating class of 1971. Fr.Drinan will be the featured speaker at this years graduation June fourth in Hynes Memorial Auditorium.

WHAT DO YOU FEEL IS THE GREATEST CHALLENGE FACING THE CLASS OF 1971?

"It seems clear to me more and more that the greatest challenge facing the Class of 1971 is not merely to terminate the war in Vietnam but to develop an entirely new,clear and coherent foreign policy for the United States. It seems ever more clear to me that the foreign policy which the United States adopted some 25 years ago which is predicted on the containment of Communism is not now a sufficient or adequate way to cope with some 75 new nations which have been established in the ashes of colonialism since the time of the adoption in the late 1940's



can bring about a change in the world by participating vigorously in the political system which governs not me country but all of t of the earth and the Nations. If any cha be brought about in World' of developin it seems clear that have to come not me the halls of governi also from the Board industry.

"I feel therefore Class of 1971 has a lenge to bring thei determination to ha and decency for the humanity in the Thi to all of the seats ment and also to the makers in the corpo this country and of trialized world." -

HOW HAS YOUR ELECTION TO THE U.S.CONGRESS INFLUENCED YOUR ATTITUDE ABOUT 1971's ABILITY TO MEET THIS CHANGE?

"I am persuaded that the Class of 1971 and young people in particular see more clearly tions in ubtedly more generation hem the several the United volved. Al- every young acquire the omes only with

juniors into pilgrimages idors of McElroy rball,Bladder- ,what are you, nd what is that dynamic force e the Senior Syndrome and o an exuberant rouds the enmmunity?

Bladderball.

The game is about six years old having been originated at Yale University and continuing there as an annual tradition . The idea to introduce the fete was the brainchild of Seniors John McDonough and Rich Martin.

Only with intense and devoted

trampling crowd.

All area girls schools were invited to the event,which was followed by mudslides,a rock band,and the corps of a nervous titter.

Successful as it was the Class of '72 is debating innovations of its own.One suggestion described as Kidney Stone,was unanimously disapproved.

GRADUATION

Graduation marks the end of an academic period, a period that began four years ago with the Freshman summer reading list. And now the Class of 1971 enters a four month period of freedom before re-entering the academic world for another four year term. If we are to believe the school's defined purpose, "to develop Christian gentleman, to foster a spirit of Christianity", then we are to enter an entirely new phase of education in the fall of 1971.
